Learning experience

Learning by doing

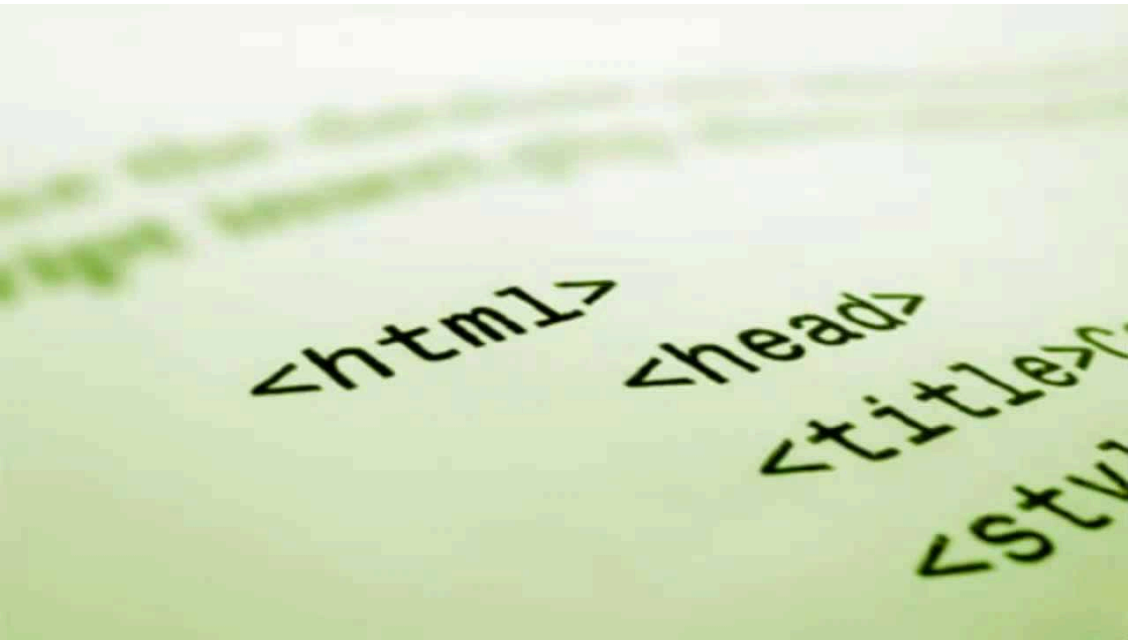

Project – based programs. You will develop your own digital projects.

Barcelona Entrepreneur

Get in touch with successful international Tech entrepreneurs who will help you to open up your mind in the start-up ecosystem.

Barcelona Innovation

Enjoy the most innovative side of Barcelona, visiting some of the most important digital brands in the city.

Barcelona experience

International campus

Meet friends from other countries and get a training summer experience in one of the most attractive cities in Europe.

Discover all the wonders of Barcelona with the BTS city tours.

Why Barcelona is your ideal destination

- More than 300 sunny days
- 2nd smart city in Europe
- One of the most creative city in the world
- Awarded European capital of innovation
- 1st European city in terms of quality of life for workers
- 4th most visited city in Europe

BTS sports

An ideal place to have fun, meet friends and play sports.

All the BTS students enrolled into a summer program have free access to one of the best sports club in the city located in front of the beach. You can play sports, make friends or simply take a relaxed bath on the sea.

- First class of modern equipment
- Swimming pools
- Gym and lead classes
- Spa
- Paddle courts
- Front beach located
